# – your voice in tough times

Has the voice of Old Glossop been heard in the Council?  
What have you seen done in the last 8 years? What  
difference has it made to you and your family?

### **Old Glossop wants a change!**

Through speaking to residents we have set out a clear list of  
actions, and priorities. You would have seen this in our  
leaflets. We have the ideas, drive and experience to **deliver**  
**for you and your family.**

We want to regain Old Glossop's neglected voice in the  
Council. We will work to ensure that our area remains a  
**clean, attractive** place where people are **happy, safe and**  
**healthy** and feel **proud to live and prosper** here.

In these times of Tory cuts, when public services are under  
threat, Old Glossop needs to be listened to. We will make  
sure that it is heard.

Vote Labour. Vote for Damien Greenhalgh and Garry Parvin  
on May 5th!
